FAQ

1. How does it work?

Teams will race around the Kirksville downtown square from place to place and the team that completes the course in the least amount of time wins the grand prize. The race will BEGIN at 9 a.m. at the public parking lot on 201 N. Main Street behind Bank Midwest. On the day of the race, teams will be given a clue that will direct them where to go to reach the first checkpoint. At the checkpoint the team will complete a challenge or search for an answer to a question. Once the team has successfully completed the challenge, the checkpoint volunteer will give the team the next clue.

2. How do I get around?

You can run or walk during the course as fast or as slow as you'd like. You will **NOT** need a vehicle. Safety is a primary concern and as such it is important to adhere to all rules of the road when walking downtown. We WILL NOT be closing streets. Please stay on sidewalks and public areas and obey all signals. Please only cross in crosswalks and carefully watch for our Fairy Godmother volunteers. If you feel tired or unable to continue, please find the nearest volunteer to alert them.

Plan on 60 minutes to complete the course...race happens rain or shine!

3. How do the teams work?

There should be no less than three members on a team and NO more than six. Team members of any age are welcome. Kids are encouraged to be part of the team but please remember to include them in the team roster. Everyone on the team should try and wear the same color. **Your team color will be emailed to you at least ONE WEEK before the race.**
